

Program List for LARA Cities

1000 Source Reduction

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the "Notes"
1000-SR-XGC	Xeriscaping, Grasscycling: Xeriscaping/Grasscycling Residential Commercial	<ul style="list-style-type: none"> - Does the jurisdiction promote grasscycling and/or xeriscaping? - What types of large turf areas does the jurisdiction have? (football fields/golf courses/parks/schools/etc.) Are they being grasscycled? - Does the jurisdiction have demonstration areas?
1010-SR-BCM	Backyard & On-Site Composting/Mulching: Backyard Composting On-site composting by businesses (can include any organics) (For schools, see code 3050-CM-SCH) On-site composting by residences (can include any organics)	<ul style="list-style-type: none"> - Does the jurisdiction promote backyard composting/mulching? (Give away/discount bins)? - Does the jurisdiction conduct workshops? - Does the jurisdiction make educational information on composting available to residents?
1020-SR-BWR	Business Source Reduction: Business Waste Reduction Business Waste Prevention Ceramic cups Paper form reduction Electronic media Double-sided copies Commercial/Industrial Diaper service Auto dismantling DMV-funded auto abatement program (if parts pulled) Salvage yards	<ul style="list-style-type: none"> - Does the jurisdiction offer waste assessments? - Promote business source reduction techniques? - What are the major types of business waste? - Are businesses aware of WRAP Awards?
1030-SR-PMT	Procurement: Procurement Programs Joint purchase pools Procurement of Recycled-Content Products	<ul style="list-style-type: none"> - Does the jurisdiction have a formal procurement policy? (e.g. ordinance, written formal city policy) - Who is responsible for procurement? - Are procurement practices monitored? - Are procurement practices monitored? - What jurisdictions are covered?
1040-SR-SCH	School Source Reduction: School Waste Reduction School waste prevention District waste prevention	<ul style="list-style-type: none"> - Does the jurisdiction promote school source/waste reduction techniques? - Has the city met with the school to discuss waste reduction options? - What are the schools in this jurisdiction doing to source reduce waste? - Is there cafeteria source reduction?
1050-SR-GOV	Government Source Reduction: Government Waste Reduction In-house Source Reduction - city, county, state, federal.	<ul style="list-style-type: none"> - Does the jurisdiction promote government source/waste reduction techniques within its own jurisdictions, or to other government entities? - Are there State and/or Federal government facilities (prisons, jails, youth authority facilities, hospitals, universities, etc.) located in the jurisdiction? - Are you aware of AB-75, and have you met with State agencies within your jurisdiction to assist them in reaching their AB-75 goals? (team approach) - Are you aware of Trashcutters and the new award program for state facilities?

1060-SR-MTE	Material Exchange, Thrift Shops: Materials Exchange Regional waste exchange Garage sales Flea markets CalMAX Food exchanges	<ul style="list-style-type: none"> - CalMax (to include businesses and schools)? - Local materials exchange program? (potentially MiniMax) - Garage sales? - Thrift Stores? - Food banks? - Do grocery stores, restaurants, or other food sources donate food to foodbanks/shelters/etc.? - Is any food waste used for animal feed?
1070-SR-OTH		<ul style="list-style-type: none"> - Are there any other Source Reduction Programs?

2000 Recycling

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
2000-RC-CRB	Residential Curbside: Single-family, commingled Single-family, source separated Multi-family, commingled Multi-family, source separated	<ul style="list-style-type: none"> - How is the curbside material collected? Is it mandatory or voluntary? - How many households or what percent are offered curbside service? - What materials are accepted through this program? - Does the jurisdiction use a Pay as You Throw system or Variable Can Rate? - Does jurisdiction do any monitoring or evaluation of program?
2010-RC-DRP	Residential Drop-Off: Drop-Off Boxes and Center Public recycling receptacles	<ul style="list-style-type: none"> - Are free drop-off locations available? (parks, tourist areas, special events, malls, local schools) - What materials are accepted? - How is this program promoted?
2020-RC-BYB	Residential Buy-Back: Buyback Center(s)	<ul style="list-style-type: none"> - Are any located in the jurisdiction? - Do residents use locations outside of the jurisdiction? - Do you actively promote the available locations? - Do any of these recyclers accept materials other than CRV? If so, what?
2030-RC-OSP	Commercial On-Site Pickup: Commercial Collection Programs Cardboard Office paper Beverage containers (excluding 2020 centers) Other Material Triple-Rinsed Plastic Pesticide Containers Glass Newspaper Promotion of programs	<ul style="list-style-type: none"> - What collection options are available to businesses? - What is the percent participation? - What materials? - What type of Waste Collection Agreement exists? - Do businesses receive containers for free or must they purchase them?
2040-RC-SFH	Commercial Self-Haul	<ul style="list-style-type: none"> - Do businesses have options to self-haul recyclables? - Do businesses exist within the jurisdiction that accept other business' self-haul recyclables? - What are the material types collected?
2050-RC-SCH	School Recycling	<ul style="list-style-type: none"> - Are there any School Recycling Programs? - What are the materials collected? - Who services the recycling needs of these schools? - District-Wide or by the individual schools? - Has the jurisdiction met with the school and/or the school's hauler to discuss recycling options?
2060-RC-GOV	Government Recycling	<ul style="list-style-type: none"> - What are the diversion/recycling programs at Government offices? (city/county/state/federal) - What are the material types? - Are you aware of AB-75*? - Do you have any State or Federal waste generators in your jurisdiction? - Has the jurisdiction approached any State facilities in the jurisdiction to assist them in meeting AB-75 requirements? <p>* Waste Diversion Assembly Bill (AB) 75 was passed in 1999 and the State Agency Model Integrated Waste Management Act (Chapter 764, Statutes of 1999, Strom-Martin) took effect on January 1, 2000. The State agency Model Integrated Waste Management Act (IWMA) mandated that State agencies develop and implement an integrated waste management plan (IWMP); the State agency IWMA also mandated that community service districts providing solid waste services report disposal and diversion information to the city, county, or regional agency in which the community service district is located.</p>

		<p>The provisions of the State agency IWMA require all State agencies and large State facilities to divert at least 50 percent of their solid waste from disposal facilities on and after January 1, 2004. Another requirement of the law is that each State agency and large facility shall submit an annual report to the California Jurisdiction of Resources Recycling and Recovery (CalRecycle) summarizing its yearly progress in implementing waste diversion programs.</p> <p>In 2008, the Per Capita Disposal Measurement System Act (SB 1016, Wiggins, Public Resources Code Section 42920-42927, Statutes of 2008) was passed. This changed the way State agencies and local governments measure their progress toward meeting the statutory waste diversion mandates. Under this Act, State agencies are still required to maintain the 50 percent waste diversion requirement as mandated by the State agency IWMA. However, with the passage of the Per Capita Disposal Measurement System Act, State agencies and large State facilities use per capita disposal as an indicator of their progress toward meeting the mandate.</p>
2070-RC-SNL	Special Collection Seasonal (regular - not special waste collection) Seasonal/Special Collection Programs Telephone books Christmas trees "Bulky" item collection days	<ul style="list-style-type: none"> - Does the jurisdiction have seasonal collection events? - What are the materials diverted? (Christmas trees, phone books) - Who organizes and promotes this program? - Who collects the materials?
2080-RC-SPE	Special Collection Events: Clean-Up Events Recycling at special events (fairs, marathons, community celebrations)	<ul style="list-style-type: none"> - Does the jurisdiction hold clean-up events? - Are materials diverted? - Does the jurisdiction conduct recycling at special events? (fairs, marathons, community events, etc.)
2090-RC-OTH	Other Recycling	<ul style="list-style-type: none"> - Are there any other Recycling Programs?

3000 Composting

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
3000-CM-RCG	Residential Curbside Greenwaste Collection Residential, curbside source separated; Residential, curbside commingled	<ul style="list-style-type: none"> - How is the material collected (size of containers) - Is collection mandatory or voluntary - How is the collected greenwaste diverted & processed - Is food waste included with greenwaste Collection
3010-CM-RSG	Residential Self-Haul Greenwaste Self-Hauled to Composting Site	<ul style="list-style-type: none"> - Does the jurisdiction have options for residential self-haul greenwaste - How is the material diverted
3020-CM-COG	Commercial On-Site Greenwaste Pick-Up Commercial Collection Programs Street-sweeping debris; On-call Curbside Collection	<ul style="list-style-type: none"> - Does your hauler collect commercial greenwaste - Do you have a landscapers outreach program - Are street sweepings diverted - How is the commercial collection program promoted - How and where is the material processed
3030-CM-CSG	Commercial Self-Haul Greenwaste Drop-Off	<ul style="list-style-type: none"> - Does the jurisdiction have a landscapers outreach program - Does the jurisdiction provide drop-off options for landscapers - Are there nearby facilities that accept greenwaste for diversion - Where is the material taken? (composting site, MRF, transfer station, landfill)
3040-CM-FWC	Food Waste Composting (pick-up/self-haul) Food Waste Composting/Vermicomposting	<ul style="list-style-type: none"> - Does the jurisdiction have any Grocery stores (a number of grocery stores backhaul food waste for composting - Do any local composting facilities accept food waste for composting - Does the jurisdiction promote food diversion - Do you have any large facilities participating in a food waste program? (prisons, hospitals, universities, catering businesses, restaurants, etc.) - Is there a food waste to animal feed program
3050-CM-SCH	School Composting On-site Composting by Schools	<ul style="list-style-type: none"> - Are any of your schools composting or vermicomposting - Do the schools hold workshops for teachers - How do the students participate
3060-CM-GOV	Government Composting	<ul style="list-style-type: none"> - Do any of the government facilities in this jurisdiction utilize a compost family - Is composting done on-site at government facilities - Are tree trimmings from City or County parks, medians, etc. mulched and/or composted
3070-CM-OTH	Other Composting	

4000 Special Waste Materials

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
4000-SP-ASH	Ash Ash Land applications Building materials	- Is ash generated within the jurisdiction - If so, is it diverted
4010-SP-SLG	Sludge (sewage/industrial) Soil Amendment Land spreading of biosolids Co-Composting	- Is sludge generated within the jurisdiction? (Wastewater treatment plant/other) - If so, how is it diverted? (co-composted, soil amendment, ADC, etc.) - Has the jurisdiction filed a Sludge Petition
4020-SP-TRS	Tires Retreads; Other Reuse; Tire reuse opportunities; Tire recycling opportunities; Rubberized Asphalt; Other Tire-Derived Products; Collection Program; Drop-off at landfills	- Is there an active tire diversion program - How is the program promoted - Does the jurisdiction use retreads on jurisdiction vehicles
4030-SP-WHG	White Goods White goods; Repair/Reuse; White and brown goods; Reuse/recycling; Special collection events; Salvage at processing centers	- Are there diversion programs for white goods - Do any local appliance businesses accept white goods for repair, reuse - Are white goods diverted during Special Collection Events - How is white goods diversion promoted - Are white goods salvaged at landfills or transfer station
4040-SP-SCM	Scrap Metal Scrap metals/Abandoned Vehicles; Salvage at processing centers; DMV-funded vehicle abatement program (only if material goes to metal recycling)	- Are there diversion programs for scrap metals - Are there any scrap metal dealers used by the jurisdiction - Diversion program at: MRF, Landfill, Transfer Station
4050-SP-WDW	Wood Waste Wood Waste Chipping for Mulch or Compost Drop-off; Brush/Wood Waste Chipping	- Does the jurisdiction have a program for woodwaste recovery - Is woodwaste mulched or chipped by the jurisdiction - Is there a program to divert wood from C&D projects
4060-SP-CAR	Concrete/Asphalt/Rubble Inerts (Construction/Demolition); Concrete/rubble reuse; Fill for land reclamation; Subbase material for roads; Concrete/asphalt recycling	- Does your jurisdiction have construction and demolition diversion programs - Are there any ordinances requiring diversion - What are the local C&D Recycling Centers - How is the program promoted - Does the jurisdiction require contractors to purchase recycled concrete/asphalt
4070-SP-DSD	Disaster Debris Disaster debris recycling	- Does the jurisdiction divert disaster debris or have a plan for diversion in case of disaster
4080-SP-SGL	Shingles Shingles used as asphalt enhancer	- Does the jurisdiction have any facilities that processes shingles - Are there any such facilities in any nearby jurisdiction - Does the jurisdiction have an ordinance requiring the diversion of roofing material
4090-SP-RND	Rendering Dead Animal Program; Grease	- Is there a dead animal program - Is grease diverted from local restaurants
4100-SP-OTH	Other Special Waste	

5000 Public Education

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
5000-ED-ELC	Electronic (radio, TV, Web, Hotlines) Public Service Announcements; Videos; Slide show; Media campaign; Radio/TV; Hotline; Web page	<ul style="list-style-type: none"> - Does the jurisdiction promote diversion via: radio, TV, web, hot lines, internet, is it linked to the CIWMB site - Are you aware of 1-800-CLEANUP? (contact your OLA representative for more information)
5010-ED-PRN	Print (brochures, flyers, guides, news articles) Newspaper Articles; Newspaper ads; Brochures, newsletters, publications; Fliers; Office paper recycling guide; Tire guide; County recycling guide; Fact sheets; New resident package;	<ul style="list-style-type: none"> - Does the jurisdiction promote programs through: brochures, flyers, guides, news articles, advertisements, press releases
5020-ED-OUT	Outreach (technical assistance, presentations, awards, fairs, field trips) Outreach; Seminars; Workshops; Exhibits; Mascot; Waste information exchange; Recycled goods procurement training; Environmental shopping campaign; Block captain program; Mobile composting cart; Tinkers fair; Smart shop campaign; Neighborhood block leader; Recycling booth; Speakers Bureau; Community recycling advocates; Listing of speakers; Awards Programs/Public Awareness; WRAP; Theme and logo; Lottery programs; Awards; Field Trips; Offered to schools, scout troops, etc.; Speakers; Staff available to make presentations; Technical Assistance Commercial/Industrial; Consumer/Business committee on solid waste reduction; Resort/Tourist business education program; Winery subcommittee; Marine waste subcommittee; Market development technical assistance; Waste evaluation – recycling; Technical Assistance; Waste audits; Assistance to Departments, commercial, industrial institutional, schools, etc.; Waste evaluations/survey	<ul style="list-style-type: none"> - Is outreach aimed at businesses and residents - Does the jurisdiction offer Business Waste Assessments - Does the jurisdiction promote WRAP - What methods are used to educate businesses and residents about diversion programs
5030-ED-SCH	Schools (education & curriculum) School Curriculum; School education task force; Grants to schools;	<ul style="list-style-type: none"> - Do the schools use a curriculum to promote diversion practices? (close the loop) - Are there any special assemblies to promote diversion activities - Are there any special events for the schools? (earth day) - Individual schools or district-wide
5040-ED-OTH	Other Public Education	

6000 Policy Incentives

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
6000-PI-PLB	Product and Landfill Bans Landfill Ban on Green Waste; Manure waste ban; Product and Packaging Bans; Landfill Ban on Ash; Landfill Ban on Construction Demolition Debris; Landfill Ban on White Goods; Landfill Ban on Scrap Metals/Vehicles; Tire landfill bans; Mattresses; Landfill Ban on Sewage Sludge;	- Are there any local landfill bans - Does the hauler have bans on collecting any specific products
6010-PI-EIN	Economic Incentives Recycling Market Development Zone; Tipping Fee Incentive For haulers, commercial landscapers, etc.; Collection Rate Incentive (composting policies); Rate Structure Modifications; Quantity based user fees; Modified disposal fees; Variable can rate; Economic Incentives; Advanced recycling fees; Deposits; Refunds; Rebates; Business license fees; Special business license category for landscapers; Loans; Loan guarantees; Grants; Quantity based residential collection fee; Surcharge at disposal facilities;	- Does the jurisdiction have a RMDZ? (recycling market development zone) - Are there reduced tipping fees for source separated, recyclable materials - Variable can rate - Pay as you throw - Commercial per bin rates

6020-PI-ORD	<p>Ordinances</p> <p>Support State and Federal Regulatory Programs; Restaurant packing reduction; Mandatory solid waste planning and reporting requirements; Local Government Ordinance for Recycling; Mandatory collection ordinance; Ordinance requiring source separation of C&D materials; Anti-scavenging ordinance; Zoning modification that allows location of a recycling center where one wasn't previously allowed; Local procurement ordinance; Ordinance that requires developer/contractor to include recycling area in design of new multi-family and commercial developments; Multi-family and commercial developments; Ordinance (or point system) that requires contractors to separate their construction and/or demolition waste on site, to facilitate recycling of that waste; Building Code Changes; Source-reduction-related ordinance that requires contractors/developers to use source reduction methods in their building plans/practices, like using pre-cut or plastic lumber, or deconstruction methods that recover building materials for reuse; Local Government Ordinance;</p>	<ul style="list-style-type: none"> - Does the jurisdiction have an ordinance for: C&D waste, procurement, specific hauler requirements - Is the jurisdiction interested in sample ordinances and resolutions - Does the jurisdiction have any other ordinances for waste diversion
6030-PI-OTH	Other Policy Incentives	

7000 Facility Recovery

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
7000-FR-MRF	MRF Manual Materials Recovery Facility(ies); Mechanized Materials Recovery Facility(ies); Intermediate Processing Center(s)	- Are there any within the jurisdiction - Are there any utilized by the jurisdiction - What materials are diverted
7010-FR-LAN	Landfill Salvage at Landfill(s) and Landfill(s) reuse/recycling/composting/drop-off options	- Is this a county program - Is this a local landfill program - What materials are salvaged
7020-FR-TST	Transfer Station Salvage at Transfer Station(s) and Transfer Station(s) reuse/recycling/composting/drop-off options	- Is this a county program - Is this a local landfill program - What materials are salvaged
7030-FR-CMF	Composting Facility Aerobic, Windrow; Aerobic, Static Pile; Anaerobic, In-Vessel; Composting Facility(ies); Vermicomposting; Chipping/mulching	- Is one located within the jurisdiction - Is there a facility outside of the jurisdiction that is utilized by the jurisdiction
7040-FR-ADC	Alternative Daily Cover (ADC) ADC/Green Waste; ADC/Ash; ADC/Auto Shredder Fluff; ADC/Biosolids; ADC/Other	- Where is the material being used - What material types are being diverted - Are you aware that ADC tonnage is tracked in the Disposal Reporting System (DRS)
7050-FR-OTH	Other Facility Recovery	

8000 Transformation

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
8000-TR-WTE	Waste-to-Energy Examples: Stanislaus County facility and facilities in the cities of Commerce and Long Beach	- Does the jurisdiction send waste to any of the following facilities: Commerce (CREF), Long Beach (SERRF), Stanislaus County (Ogden Martin)
8010-TR-BIO	Biomass Wood Waste	- Where is material sent for biomass - What are the material types - Do you have a record of the amounts - Does the jurisdiction plan to request for diversion credit for biomass starting in 2000
8020-TR-TRS	Tires Tire Derived Fuel/Incineration	- Who collects the tires - Where is this material sent for incineration
8030-TR-OTH	Other Transformation	

9000 Household Hazardous Waste

CalRecycle Program Code	Program Type Code Descriptions	Questions to answer in the “Notes”
9000-HH-PMF	Permanent Facility Permanent Collection Facility; Recycle-Only Collection Facility; Battery, oil, paint (BOP); Antifreeze, batteries, oil, paint (ABOP); Used Oil Collection Centers	<ul style="list-style-type: none"> - What materials are collected - How is the program promoted - Who can utilize the permanent HHW facility - Does the jurisdiction have any used oil collection centers? (look in jurisdiction profiles on the boards website)
Latex Paint Recycling		
9010-HH-MPC	Mobile or Periodic Collection Mobile Collection Facility; Vehicle; Trailer; Periodic/Temporary: Collection facility/event	<ul style="list-style-type: none"> - Is this sponsored by the county, jurisdiction or other - Who can attend these events - How often are they held
9020-HH-CSC	Curbside Collection Door-to-Door Collection Program; Curbside Collection Program; Used oil collection	<ul style="list-style-type: none"> - What are the material types collected - Is this scheduled or on-call
9030-HH-WSE	Waste Exchange Waste Exchange	<ul style="list-style-type: none"> - Is this offered at periodic collection - Is this offered at a permanent facility - Can the jurisdiction use paint collected at these events
9040-HH-EDP	Education Programs Education; Point of purchase information for HHW; Dedicated HHW hotline	
9050-HH-OTH	Other HHW
