

Our mission

Habitat for Humanity of Greater Los Angeles builds and renovates homes in partnership with God and people everywhere with a goal of eliminating substandard housing by making decent, affordable housing a matter of conscience and action in our communities.

ReStore

The ReStore was established to provide a self-sustaining funding source for Habitat for Humanity of Greater Los Angeles (HFH GLA) and to provide our local communities with low cost building and home improvement materials.

Donations

- The ReStore accepts new, used, discontinued, or surplus building materials, appliances and home furnishings from companies, contractors, retailers, film and television studios and individuals.
- The ReStore sells donated items at drastically reduced prices to the general public. All proceeds support Habitat's commitment to building and renovating homes in partnership with low income, hardworking families and individuals in greater Los Angeles.
- Trucks are sent out Monday - Saturday to pick-up items all over Los Angeles. Please contact a Donations Coordinator to arrange a pick-up of your donation by calling 424-246-3637 or EMAIL: Restore@habitatla.org.

All donations are tax-deductible. Pick-up service is FREE, with a \$5 fuel surcharge.
